REF: RAH TEL: 07977 467165

Forward

The late Mr Batchelor was an avid collector of all of the above including vintage cars, the sale of which has already taken place. This sale has everything from vintage tractors to a World War One twin-prop propeller, and from a full-size snooker table to a Climax wind-powered water pump. The collection has been accumulated over three generations and there are items that should be consigned straight to museums or collections for further generations to enjoy and marvel over the ingenuity of our forefathers. The sale is live and online and we would recommend that prospective purchasers carefully study the illustrated catalogue to make certain that nothing is missed. As stated, there are some very interesting and unusual items as the late Mr Batchelor regularly took items from his collection to local shows and fetes to provide a competition to name the objects, reflecting their rarity.

Payment and Collection

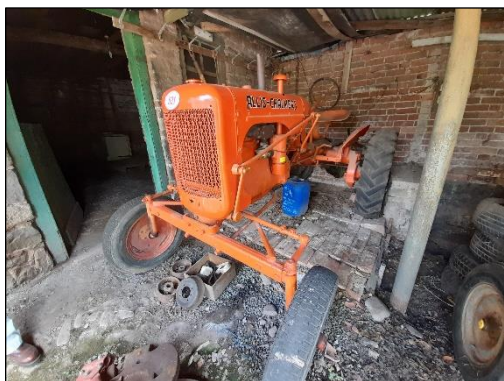

For those purchaser's unknown to the Auctioneers, payment is to be by debit card only and those items can be removed from the sale ground on Saturday 24th July and on Sunday 25th July from 10.00am to 4.00pm. Online purchasers should note that there is a 6.5% buyers' premium on their purchases which is subject to VAT and these items may be collected on the following Saturday, 31st July between 10.00am and 4.00pm when full payment has been made into Sunderlands' bank account:

Sunderlands Client Account
Hereford
Sort code: 30.94.14
Account: 00296601

The sale is highly recommended for the rarity of the items and the broad spectrum available.

Directions

From Hereford take the A4110 Roman Road west out of Hereford towards Brecon. Cross two sets of traffic lights and after approx. 3 miles from A49 is Credenhill Island and take third exit into Credenhill. Beware 40 & 30 Mph limits. In the village the sale field will be indicated on the Left-Hand Side
