The Purchaser will indemnify the Vendor for any damage that may be caused to gates, fences, buildings or equipment etc in the course of removal of any Lot.
6. The Auctioneers intend to sell in the order lotted and described in the catalogue but reserve the right to make any alteration if so required.
7. The Auctioneers will not be responsible for any Lots damaged by fire, accident or otherwise and all Lots are the Purchasers responsibility from the fall of the hammer.
8. Upon failure of complying with the above conditions, money deposited in payment will be forfeited and the Lots which may remain uncleared after the time aforesaid will be sold by public or private sale without notice to the former Purchaser and the deficiency (if any) by such a second sale, together with all charges attending the same, shall be made good by the defaulter at this sale.
9. In the event of a Lot not selling in the saleroom any further negotiations are to be conducted through the Auctioneers, as agents to the Vendor, and these conditions will apply for private sale also.
