3. The description of the Lots is believed to be correct; however, the approximate weights or measurements are given for guidance only and prospective Purchasers will be deemed to have inspected the Lots for which they bid and no warranty whatsoever is given regarding weight, quality, condition or quantity.
4. The terms of sale are cash, cheque or debit card and goods must be paid for at the end of the sale. No Credit Cards. 6. All Lots must be removed as stated in the catalogue, and if not so removed by the said date, the Purchaser shall pay the Vendor a penalty of £10 per week for each week or part thereof until final clearance or forfeit the balance of the Lot at the Vendors discretion. The Purchaser will indemnify the Vendor for any damage that may be caused to gates, fences, buildings or equipment etc in the course of removal of any Lot.
7. The Auctioneers intend to sell in the order lotted and described in the catalogue but reserve the right to make any alteration if so required.
8. The Auctioneers will not be responsible for any Lots damaged by fire, accident or otherwise and all Lots are the Purchasers responsibility from the fall of the hammer.
9. Upon failure of complying with the above conditions, money deposited in payment will be forfeited and the Lots which may remain uncleared after the time aforesaid will be sold by public or private sale without notice to the former Purchaser and the deficiency (if any) by such a second sale, together with all charges attending the same, shall be made good by the defaulter at this sale.
10. In the event of a Lot not selling in the saleroom any further negotiations are to be conducted through the Auctioneers, as agents to the Vendor, and these conditions will apply for private sale also.
11. Root Crops and Clamp Silage will be paid for on the day of sale at the quantity indicated and after weighing out at the Purchasers expense any balance is to be dealt with between the Vendor and Purchaser directly.

12. Commission Bids will be executed by the Auctioneers at 1 Bid more than the bidding in the room. The max bid will not be used unless the bidding in the room dictates. The Commission Bid Form is at the end of the catalogue.
