TERMS & CONDITIONS

UNDER WHICH GOODS ARE ACCEPTED FOR SALE BY AUCTION

RESERVES : Unless a reserve is entered against an item on a fully completed and signed entry form all items will be considered to be without reserve and sold to the highest bidder. **The Auctioneers will not take responsibility for the reserves on any item delivered on the day of sale and all other reserves must be handed in on a fully completed and signed entry form by 5.00 p.m. on the day prior to sale.**

LOTTING : The Auctioneers reserve the right to lot, catalogue and display items in the manner they think fit. Entries must be confined to Saleable Items and the Auctioneers reserve the right to refuse any item, even though catalogued if they consider them unsaleable. Any item sold must be in a suitable condition to perform the function for which it was constructed, and all items will be sold as such unless stated to the contrary.

DELIVERY : All goods should be delivered to the sale site on Thursday 10TH December and Friday 11th December before the sale between 10.00 a.m. and 4.00 p.m. and are unloaded entirely at the risk of the Vendor.

AGENCY : The Auctioneers act as Agents only and are not responsible for any default by the buyer. They disclaim liability for paying the Vendor until they have received settlement from the purchaser.

SOLD & UNSOLD LOTS : Are the sole responsibility of the Purchaser if sold, or the Vendor if unsold before and after the hammer has fallen and must be removed within 5 days of the sale. The insurance of any item remains the sole responsibility of the Vendor or Purchaser whilst the item is on the sale site. We advise all Vendors to notify their Insurer that their sale items are on the sale site.

COMMISSION : The Commission charged is staged in increments of the value of the item per item. 12.5% up to £100.00, 10% on the next £900.00, 7.5% on the next £1500, 5% thereafter per item plus VAT. The commission is inclusive of all sale and advertising costs. There is a minimum commission of £2.00 per lot plus VAT whether sold or unsold and a minimum commission per Vendor of £5.00 plus VAT.

ELECTRICAL GOODS : All electrical items must be accompanied by an Electrician Certificate stating the condition of the item. Any item without such a certificate will have the plugs and cables removed and be sold as scrap. The Auctioneers will then sell all electrical items as with any other items "without warranty" and any recourse regarding electrical items will be to the electrician providing the certificate. If items appear without a certificate the Auctioneers may obtain their own certificate and will account to the Vendor accordingly for all costs.

TYRES: All tyres sold are for off road use only

TITLE & HISTORY : I hereby certify that the items entered, are my sole property, and are **not** subject to any Hire Purchase Agreement/Lease Hire, been a Total Insurance Loss or sustained serious accident damage.
