

TALGARTH MARKET REPORT **OF STORE CATTLE &** **BARREN COWS**

TUESDAY 14th JANUARY 2020

38 Store Cattle & 30 Barren Cows

A superb cattle trade, well in front of December's trade. A marginal lift in the fat trade has created confidence which was reflected today with steers averaging just short of £950/hd (201p/kg) and the heifers £810/hd (190p/kg). Plenty of buyers for 300 cattle and more would have come if we'd had the numbers. Over 25 buyers for 30 store cattle. The numbers are very disappointing especially considering the trades Talgarth has produced and given to vendors. It's simple use it or lose it!

NEXT CATTLE SALE WILL BE
11th FEBRUARY 2020
