

TALGARTH MARKET REPORT **SPRING LAMBS & CULL EWES**

FRIDAY 2ND AUGUST 2024

835 Spring Lambs & 508 Cull Ewes

An unbelievable trade for August especially to have the lift we experienced today! An overall average of 309p/kg topping at 355p/kg or £168.50 for 47.5kg lambs from DS & DA Brute, Gwndwnwal, plenty of pens trading in excess of 320p/kg. A very good show of quality and meat. The dearest lambs were the heavies, in fact the 45kg plus weights averaged 314p/kg. A pen of 58kg from J Herdman, New House topped the market at £185/hd, others at £178, £176, £169.50 etc etc. The 52kg plus lambs averaged a staggering £174.27/hd. It is certainly paying to feed these lambs, today's trade was 45p/kg dearer than the same week last year. Light lambs also in strong demand with 34kg from A Jones, The Woola striding to 321p/kg or £109/hd and 38.5kg making 330p/kg from WL Jerman, The Wern. A good entry of quality embraced with a fantastic trade and more could have easily been sold on the day.
