

TALGARTH MARKET REPORT **SPRING LAMBS & CULL EWES**

FRIDAY 9TH AUGUST 2024
634 Spring Lambs & 414 Cull
Ewes

A much-improved trade than expected especially after reports of the day previous and many more lambs were needed to meet the demand especially on the heavier weights. These were a fantastic trade throughout and as dear if not dearer than we saw all week. In fact the 45kg plus lambs averaged 316p/kg up to a superb 351p/kg for 46.5kg lambs that flew to £163/hd from Messrs Brute. The heavies were a remarkable trade with plenty surpassing £160/hd topping at a phenomenal £198/hd for 60kg lambs from Messrs Herdman New House, who had another pen selling to £189/hd, other at £173.50, £170 etc. An unbelievable trade for the second sale in August.

Meat again was the order of the day across all weight brackets, however several store jobs underpinning the trade, we do have buyers for stores every week, but if you want the premium meat is required. Leaner types trading from 290 to 300p.

Overall a much better trade today than forecast.

More lambs desperately required every week, 7 buyers every week wanting lambs from Talgarth.
